

Social Media OSINT Investigation

Cover Page

- **Assignment Title:** Social Media Account Analysis – OSINT Exercise
 - **Student Name:** Saniya Pathan
 - **Date of Submission:** 20 September 2025
-

1. Introduction

This assignment focuses on identifying and documenting five social media accounts that engage in suspicious or inappropriate activities. The accounts selected demonstrate behaviors such as misinformation, hate speech, harassment, or promotion of illegal content. The purpose of this investigation is to practice passive OSINT (Open Source Intelligence) skills, evidence collection, and structured reporting.

2. Accounts Collected
